No-Utensil Weekend

All scouts and their Leaders are expected to do no-utensil cooking at their campsites to create the ambience for this weekend. No vehicle or wheeled carts will be allowed beyond the parking lots, Webelos, their leaders and the disabled are exempt from this activity.

Wilderness Survival Merit Badge Training for Scouts and Adults- Sat morning

We will provide training for these skills for both scouts and adults.

Adults with WS skills are asked to volunteer in advance so you can teach (we will provide the materials)

- | | | | | |
|---------------|-----------------|-------------------------|---------------------------|--------------|
| 1. S.T.O.P. | 2. WS First Aid | 3. Shelter | 4. Fires | 5. Signaling |
| 6. Safe water | 7. Food | 8. Emergency Fanny Pack | 9. Lost in the Wilderness | |

WS MB candidates set up their shelters at the River Field Sat after 4 PM

It is preferred that bring only their Fanny Packs, a #10 can with cookable foods(flour, & other non-perishables) and anything else they can stuff into their coats & clothing. No sleeping bags unless we have unusually cold weather (parental consent required). They will remain at this site (drink & cook with river water, they processed) overnight cooking dinner and breakfast. Those without parental consent may use potable water & sleeping bags.

Merit Badge Counseling Training for Adults

Adults will also get training Fri night and may become registered as WS MB Counselors. We advise that adults take advantage of the Sat AM WS Basic Training and even consider sleeping in their own WS Shelter at their campsites.

Competition & other events

To provide an Exciting Program without "hitches", we need the active participation of Adult Leaders! ' We will provide additional training material in advance, additional training at the Camporee Staff meetings and Orientation at the Camporee. You will be assisted by a more experienced fellow leaders. We will recognize your efforts with a FREE CAMPOREE Cap.- **so Please Volunteer in Advance**
